Re: Resolution of Declaration of Intent
Brooklyn Megabundle
Various addresses in Brooklyn, NY

Attached is a Resolution of Declaration of Intent (the “Resolution”) for a proposed preservation project located at various addresses in Brooklyn, New York, which is currently under review by the Corporation. The developer will be a single purpose entity to be formed by affiliates of (i) Omni New York, LLC, The Arker Companies, Dabar Development Partners, and Bedford Stuyvesant Restoration Corp. and (ii) the New York City Housing Authority and has requested that the Members adopt the Resolution on the project’s behalf. Should HDC utilize tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

As indicated in the attached project summary sheet, the project consists of the construction and/or permanent financing of a group of developments known as the Brooklyn Megabundle, located at various addresses in Brooklyn, NY, and consisting of 39 buildings with 2,625 low income rental units.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation’s agreement to issue bonds may only be authorized by further action of the Members.

A fact sheet with a brief description of the project is attached (see “Exhibit A”).
RESOLUTION OF DECLARATION OF INTENT
OF THE NEW YORK CITY
HOUSING DEVELOPMENT CORPORATION

WHEREAS, Article 12 of the Private Housing Finance law, constituting the New York City Housing Development Corporation Act (the "Act"), authorizes the New York City Housing Development Corporation (the "Corporation") to encourage the investment of private capital and provide dwelling accommodations for occupancy by persons and families for whom the ordinary operations of private enterprise cannot provide an adequate supply of safe, sanitary and affordable housing accommodations, or located in an area certified or designated as blighted; and

WHEREAS, the Corporation may be requested to provide all or part of the construction and/or permanent financing of a residential development located at various addresses in Brooklyn, NY (the “Project”) as more fully described in Exhibit A. A portion of the Project is expected to provide dwelling accommodations for occupancy by persons and families for whom the ordinary operations of private enterprise cannot provide an adequate supply of safe, sanitary and affordable housing accommodations and/or provide housing accommodations in an area certified or designated as blighted; and

WHEREAS, the Corporation is desirous of assisting in the financing of such Project, to the extent permitted by law, if such assistance will either increase or assure the availability of dwelling accommodations for occupancy by persons and families for whom the ordinary operations of private enterprise cannot provide an adequate supply of safe, sanitary and affordable housing accommodations and/or provide housing accommodations in an area certified or designated as blighted.

NOW THEREFORE, the Corporation does hereby resolve as follows:

2. The Corporation expects to finance the Project by the issuance of its obligations in an aggregate principal amount presently anticipated not to exceed $497,000,000 all or a portion of which would be issued on a tax-exempt basis.

3. This resolution shall constitute official intent of the Corporation with respect to such Project for purpose of the Internal Revenue Code and otherwise.

This resolution shall be effective immediately.
