Re:

\$100,000,000 New York City Housing Development Corporation Multi-Family Housing Revenue Bonds, 2006 Series J-1 (the "Bonds")

Ladies and Gentlemen:

We have delivered this letter to you today in connection with your execution of a Remarketing Purchase Contract (the "Purchase Contract"), dated December [__], 2018, pursuant to which the Purchaser has agreed to purchase the Bonds upon their mandatory tender on the Closing Date

Unless otherwise defined in this letter, capitalized terms used herein which are defined in the Purchase Contract shall have the respective meanings therein specified.

In order to induce you to enter into the Purchase Contract, and to induce the Purchaser to purchase the Bonds upon their mandatory tender on the Closing Date as therein contemplated, the undersigned, AVB Morningside Ground Tenant, LLC, a Delaware limited liability company (the "Mortgagor") and AvalonBay Communities, Inc., a Maryland corporation (the "Guarantor"), hereby represent, warrant and covenant to each of you at the date hereof, that:

(a) The Mortgagor is, and on the date of the Closing will be, duly organized, validly existing and in good standing as a limited liability company in the State of Delaware. The Guarantor is, and on the date of the Closing will be, duly organized, validly existing and in good standing as a corporation in the State of Maryland. The Mortgagor has the power and authority to own properties and to carry on its business as now contemplated to be conducted. The Mortgagor has, and on the date of the Closing will have, full legal right, power and authority to enter into each of the Transaction Documents to which it is a party and this Letter of Representation and Indemnity Agreement (such Transaction Documents, together with this Letter of Representation and Indemnity Agreement, being referred to herein collectively as the "Mortgagor Documents") and to consummate the transactions contemplated by the Mortgagor Documents.

- (b) As of the date hereof, the Mortgagor has duly authorized and approved the execution and delivery of, and the performance by the Mortgagor of its obligations contained in, this Letter of Representation and Indemnity Agreement, and as of the date of the Closing, the Mortgagor will have duly authorized and approved the execution and delivery of, and the performance by the Mortgagor of its obligations contained in, each of the other Mortgagor Documents and the consummation by the Mortgagor of the transactions contemplated thereby.
- Neither the Mortgagor nor the Guarantor is in breach of or in default (c) under, or has received any notice of a breach of or default under, any law, administrative regulation or ordinance applicable to it, or any applicable judgment or decree of any court having jurisdiction, and, upon the remarketing to the Purchaser of the Bonds, neither the Mortgagor nor the Guarantor will be in breach of or in default under any loan agreement, note, bond, resolution, certificate or other agreement or instrument to which it is a party or is otherwise subject; except, in any such case, where such breach or default shall not have, either alone or in the aggregate, a material adverse effect on (i) the business, operations, properties or condition (financial or other) of the Mortgagor or the Guarantor or (ii) the Mortgagor's ability to perform its obligations under the Mortgagor Documents or the Guarantor's ability to perform its obligations hereunder; the execution and delivery by the Mortgagor of the Mortgagor Documents and the performance by the Mortgagor of its obligations thereunder will not conflict with or constitute a breach of or default under any law or administrative regulation or any applicable judgment or decree of any court having jurisdiction, or any provision of any organizational document, loan agreement, note, bond, resolution, ordinance, certificate or other agreement or instrument to which the Mortgagor is a party or otherwise subject; and the execution and delivery by the Guarantor hereof and the performance by the Guarantor of its obligations hereunder will not conflict with or constitute a breach of or default under any law or administrative regulation or any applicable judgment or decree of any court having jurisdiction, or any provision of any organizational document, loan agreement, note, bond, resolution, ordinance, certificate or other agreement or instrument to which the Mortgagor or the Guarantor is a party or otherwise subject.
- (d) Except as set forth in the Mortgagor Documents or as already obtained, there are no approvals, consents or orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Mortgagor of its obligations under the Mortgagor Documents; and, except as set forth in the Mortgagor Documents or as already obtained, there are no approvals, consents or orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Guarantor of its obligations hereunder; nor, except as set forth in the Mortgagor Documents, has the Mortgagor or the Guarantor received notice of the necessity of any such approval, consent or order.
- (e) Each of the Mortgagor Documents, when executed and delivered by the Mortgagor and the other respective parties thereto, if any, will constitute a legal, valid and binding obligation of the Mortgagor enforceable in accordance with its terms except as enforceability may be limited by bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally or by general principles of equity; and this Letter of Representation and Indemnity Agreement, when executed and delivered by the Guarantor and the Mortgagor, will constitute a legal, valid and binding

obligation of the Guarantor enforceable in accordance with its terms except as enforceability may be limited by bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally or by general principles of equity.

- (f) No litigation of any nature is pending or, to the knowledge of the Mortgagor, threatened, in any way adversely affecting the existence of the Mortgagor or the Guarantor, or involving the Project, or seeking to restrain or enjoin the remarketing to the Purchaser of the Bonds, or the operation of the Project, or in any way contesting or affecting the validity or enforceability of the Bonds or the Mortgagor Documents or any proceedings of the Mortgagor taken with respect to the remarketing, execution or delivery thereof, or the application of any moneys or security provided for the payment of the Bonds, or contesting the existence, powers or authority of the Mortgagor with respect to the Mortgagor Documents or, to the knowledge of the Mortgagor or the Guarantor, without independent inquiry, challenging the exclusion of interest on the Bonds from gross income for federal income tax purposes; and no litigation is pending or, to the knowledge of the Mortgagor or the Guarantor, threatened in any court in any way affecting the Guarantor that could materially adversely affect its ability to satisfy its obligations under this Letter of Representation and Indemnity Agreement or the Commitment. Notwithstanding the above, the Project, along with certain other communities owned by the Guarantor and its affiliates, is the subject to settlement agreements with the United States Department of Justice and The Equal Rights Center pursuant to which the Guarantor has agreed to make certain agreed upon modifications to the Project to improve accessibility of the Project to persons with disabilities. The Guarantor does not expect that these settlement agreements and the fulfillment of their terms will have a material adverse impact on the Project.
- (g) The Mortgagor will not take or omit to take any action which action or omission will in any way cause the interest on the Bonds to be included in gross income for federal income tax purposes.

To the extent it may legally do so, each of the Mortgagor and the Guarantor (each an "Indemnitor") jointly and severally, absolutely and unconditionally, agrees to indemnify and hold harmless the Corporation, the Purchaser and each person, if any, who controls the Purchaser and each of the respective officers, members, partners and employees and agents of each of the foregoing (collectively, the "Indemnified Parties") against any and all losses, claims, damages and liabilities arising out of (a) any breach by any Indemnitor of the representations and warranties contained in this Letter of Representation and Indemnity Agreement or (b) any action or failure to take action on the part of the Mortgagor or within control of the Mortgagor (unless such action or failure to take action is at the direction of the Corporation) with respect to the proceeds of the Bonds or the Project which adversely affects the exclusion from gross income of interest on the Bonds under Section 103(a) of the Internal Revenue Code of 1986, as amended.

In case any claims shall be made or action brought against any Indemnified Party based upon the aforesaid, in respect of which indemnity may be sought against any Indemnitor or Indemnitors, such Indemnified Party shall promptly notify such Indemnitor, in writing, setting forth the particulars of such claim or action, and such Indemnitor shall assume the defense thereof including the employment of counsel (who shall be reasonably satisfactory to the Indemnified Party). Any Indemnified Party shall have the right to employ separate counsel in

any such action or proceeding and to participate in the defense thereof, but such Indemnitor shall not be required to pay the fees and expenses of such separate counsel unless the counsel is employed with the written approval and consent of such Indemnitor; provided however, if single counsel, who is representing an Indemnified Party and an Indemnitor hereunder, shall have concluded in good faith that a conflict of interest exists between or among any one or more of such parties and such Indemnitor, such parties shall have the right to retain separate counsel and to participate in the defense of any such action on its own behalf, and all costs and expenses incurred by each such party shall be borne by such Indemnitor; and further provided, if such single counsel shall have concluded in good faith that a conflict of interest exists between or among any two or more of the Indemnified Parties, each such party, with respect to which such a conflict exists, shall have the right to retain separate counsel and to participate in the defense of any such action on its own behalf, and all costs and expenses incurred by each such party shall be borne by such Indemnitor; provided that any such parties who do not have a conflict with each other shall be represented by the same counsel. If separate counsel are employed as described above, such Indemnitor and any such party agree to cooperate as may reasonably be required in order to ensure the proper and adequate defense of any such action, suit or proceeding, including, but not limited to, making available to each other, and their counsel and accountants, all books and records relating to such action, suit or proceeding, but if any such counsel reasonably determines that the rendering of such assistance will adversely affect the defense of its client, such counsel shall not be required to comply with the terms of this sentence. Notwithstanding the foregoing, each counsel selected by any Indemnified Party due to the existence of a conflict of interest as provided above shall be permitted to participate in the defense of such action provided that counsel selected by such Indemnitor shall be lead counsel ("Lead Counsel") with respect to such defense and shall (except to the extent of a conflict of interest) control such defense. It is the intent of the Indemnified Parties and each Indemnitor that any separate counsel representing any Indemnified Party use its reasonable efforts to avoid duplication of legal work undertaken by Lead Counsel to reduce fees and costs which may be due hereunder. The Indemnified Parties shall approve the terms of any settlement which affects the Indemnified Parties, except that such Indemnitor shall have the sole right to approve the amount of any financial settlement. Each Indemnitor agrees that it shall not (i) settle any claims wherein the settlement of such claims would contain an admission of fault, guilt or wrongdoing on the part of any Indemnified Party, without the prior written consent of such Indemnified Party, or (ii) except in the case of a settlement, refrain from the appeal of any decision which is adverse to any Indemnified Party, without the consent of such Indemnified Party.

Agreement is unavailable or insufficient to hold harmless an Indemnified Party under the second preceding paragraph, then the Indemnitors, jointly and severally, shall contribute to the amount paid or payable by such Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the second preceding paragraph (i) in such proportion as is appropriate to reflect the relative benefits received by the Indemnitors, jointly and severally, on the one hand and the Purchaser and/or the Corporation, as the case may be, on the other from the remarketing to the Purchaser of the Bonds or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Indemnitors, jointly and severally, on the one hand and the Purchaser and/or the Corporation, as the case may be, on the other which

resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Indemnitors on the one hand and the Purchaser and/or the Corporation, as the case may be, on the other shall be deemed to be in the same proportion as the principal amount of the Bonds (the benefit deemed received by the Indemnitors) bear to \$250,000 (the benefit deemed received by the Purchaser and/or the Corporation, as the case may be). The amount paid by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this paragraph shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any action or claim which is the subject of this Notwithstanding the provisions of this paragraph, the Purchaser and/or the Corporation, as the case may be, shall not be required to contribute any amount in excess of \$250,000. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act of 1933, as amended) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party under this paragraph, notify such party from whom contribution may be sought, but the omission to so notify such party shall not relieve the party from whom contribution may be sought from any other obligation it may have hereunder or otherwise than under this paragraph. Nothing in this paragraph shall create an implication that the Indemnitors' liability provided for in this paragraph shall be any greater than that provided for in the second preceding paragraph, assuming the provisions described in such paragraph were held to be enforceable.

This Letter of Representation and Indemnity Agreement is made solely for the benefit of the signatories hereto (including the successors or assigns of the Purchaser and the Corporation) and no other person shall acquire or have any right hereunder or by virtue hereof. All representations, warranties and agreements in this Letter of Representation and Indemnity Agreement shall survive the delivery of the Bonds.

Kindly confirm your acceptance of this Letter of Representation and Indemnity Agreement by signing and returning to the undersigned a duplicate hereof.

- 1. The Purchaser has authority to purchase the Bonds or participation interests with respect thereto and to execute this Investor Letter and any other instruments and documents required to be executed by the Purchaser in connection with such purchase. The undersigned is a duly appointed, qualified and acting officer of the Purchaser and is authorized to cause the Purchaser to make the certifications, representations and warranties contained herein by execution of this Investor Letter on behalf of the Purchaser.
- 2. The Purchaser has sufficient knowledge and experience in financial and business matters to be able to evaluate the risk and merits of the investment represented by the Bonds. The Purchaser is able to bear the economic risks of such investment. The Purchaser also

acknowledges that, based upon its experience and judgment, the terms of the Bonds and of the underlying mortgage loan made from their proceeds, are fair and reasonable.

- 3. The Purchaser acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and the Purchaser has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Corporation, the Mortgagor, the Project and other property subject to the Mortgage, the use of proceeds of the Bonds and the Bonds and the security therefor so that, as a reasonable investor, the Purchaser has been able to make its decision to purchase the Bonds or participation interests with respect thereto. The Purchaser acknowledges that it has not relied upon the Corporation for any information in connection with such purchase and that no offering document or other offering material has been prepared or will be prepared by or on behalf of the Corporation in connection with such purchase.

The Purchaser has assumed the obligations of the Obligor under the Mortgage Purchase Agreement through the use of Wells Fargo Bank, National Association, as administrative agent on its behalf.
- 5. The Purchaser agrees that any such sale, transfer or distribution by the Purchaser shall be to a person that (a) is (i) an affiliate of Wells Fargo Municipal Capital Strategies, LLC (the "Original Purchaser"), (ii) a trust or custodial arrangement established by the Original Purchaser or one of its affiliates, the owners of the beneficial interests in which are limited to "qualified institutional buyers", as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (each, a "Qualified Institutional Buyer"), or (iii) a Qualified Institutional Buyer and a commercial bank organized under the laws of the United States of America, or any state thereof, or any other country that is a member of the Organization for Economic Cooperation and Development, or a political subdivision of any such country, and, in any such case, having a combined capital and surplus, determined as of the date of any transfer of the Bonds, of \$5,000,000,000 or more (any of the foregoing, a "Permitted Transferee") and (b) other than the trustee or custodian of a trust or custodial arrangement described in (a)(ii) above, has executed and delivered to the Corporation and the Trustee an investor letter substantially in the form of this letter.

- 7. The Purchaser acknowledges that transfers of ownership of the Bonds while a Mortgage Purchase Agreement is in effect may only be made in compliance with Article 3 of the Servicing Agreement.
- 8. The Purchaser acknowledges that the sale of the Bonds to it is being made in reliance on its representations contained in this Investor Letter.
- 9. The Purchaser acknowledges that (a) the Bonds are special obligations of the New York City Housing Development Corporation, a corporate governmental agency, constituting a public benefit corporation, organized and existing under the laws of the State of New York, (b) the Bonds are not a debt of the State of New York or The City of New York, and neither the State of New York nor The City of New York shall be liable thereon, nor shall the Bonds be payable out of any funds other than those of the Corporation pledged therefor, and (c) the Corporation has no taxing power.
- 10. The Purchaser will provide the Corporation with a draft of any offering document or other offering material to be provided to any Permitted Transferee of the Bonds or participation interests with respect thereto, and the Corporation shall have the right to approve any description of the Corporation and the Bonds therein (which approval shall not be unreasonably withheld).
- 11. The Purchaser acknowledges that, upon the occurrence of a Mortgage Purchase Agreement Default, the Bonds shall be deemed paid, cancelled and no longer Outstanding.
- 12. The Purchaser understands that the Bonds (a) are not registered under the 1933 Act and are not registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (b) are not listed on any stock or other securities exchange and (c) carry no rating from any credit rating agency.

Capitalized terms used herein and not otherwise defined have the meanings given such terms in the Resolution.

IN WITNESS WHEREOF, the undersigned caused this letter to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

We are of the opinion that the Interest Method Change is consistent with the provisions of the Resolution and that the New Mortgage Purchase Agreement meets the requirements of the Resolution.

We also are of the opinion that the Amendment has been duly and lawfully adopted in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, is valid and binding upon the Corporation, and is enforceable in accordance with its terms. In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the Amendment may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted, and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We express no opinion as to whether, as of the date hereof, the interest on the Bonds is excluded from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). We are of the opinion, however, that, under existing statutes and court decisions, the Transactions, in and of themselves, will not adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes under Section 103 of the Code.

We express no opinion regarding any other Federal tax consequences with respect to the Bonds. We render this opinion under existing statutes and court decisions as of the date hereof, and we assume no obligation to update this opinion after the date hereof to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. We wish to advise you that our opinion is limited to the Transactions on the date hereof and does not extend to any other event or matter occurring subsequent to the delivery of our 2012 Opinion on July 13, 2012.

Very truly yours,

The terms of the Purchaser's offer to purchase Bonds, including but not limited to the interest rate thereof, were based solely on the terms and conditions of the Loan Agreement, the Mortgage, the Mortgage Note, and the Resolution and without regard to any other relationships or arrangements between the Purchaser, the Mortgagor or the Corporation. The Purchaser believes that such price is reasonable under customary standards applicable in the tax-exempt market, and represents the fair market value of the Bonds. No additional payments with respect to the Bonds were made to the Corporation (or to others on the Corporation's behalf) other than the purchase price for the Bonds paid to the tendering holders thereof.
- 3. The Bonds are being purchased for investment for the Purchaser's own account and not with a present view toward resale or the distribution thereof, in that the Purchaser does not now intend to resell or otherwise dispose of all or any part of its interest in the Bonds (including a disposition to a tender option bond trust or other secondary market securitization vehicle); provided, however, that the Purchaser intends to deposit the Bonds with U.S. Bank National Association, as custodian under a Custodial Agreement (the "Custodial Agreement") in exchange for certain custody receipts representing the Purchaser's interest in the Bonds (the receipts evidencing the Purchaser's interest in the Bonds are referred to herein collectively as the "Receipt"); and provided, further, that the Purchaser intends to acquire secondary market insurance (the "Secondary Market Insurance") with respect to the Receipt from a third party bond insurer (the "Insurer"). Neither the Corporation nor the Mortgagor is a party to the Secondary Market Insurance, and the Corporation and the Mortgagor were not involved in the negotiation of the terms of the Secondary Market Insurance. In addition, the Insurer has no rights with respect the Bonds other than those rights provided for in the agreements that provide for the Secondary Market Insurance, which may include the ability to enforce rights of the Purchaser as holder of the Receipt. The Purchaser is neither legally required nor economically compelled to maintain the Bonds under the Custodial Agreement, and may withdraw all or a portion of the Bonds from such arrangement or terminate the Secondary Market Insurance at any

time. The Purchaser retains the right to tender, assign, pledge as security, participate or transfer the Bonds as permitted in the Resolution.

- 4. Taking into account the price paid for the Bonds, the interest rates thereon represent not more than the current yields required by the market for tax-exempt bonds with similar maturities and credit risk (and without the Secondary Market Insurance). Upon removal of any Bonds from the Custodial Agreement, or termination of the Secondary Market Insurance, the Corporation and the Mortgagor will continue to be obligated to make payments on the Bonds as provided in the Resolution until such Bonds are tendered, redeemed or retired (including a deemed payment and cancellation resulting from a Mortgage Purchase Agreement Default, as defined in the Resolution). The pricing method used for the Bonds is consistent with the method used in pricing other tax-exempt municipal bonds that do not utilize credit enhancement such as the Secondary Market Insurance.
- 5. To the extent that the Corporation and the Mortgagor determine to remarket the Bonds in the future (in accordance with the Resolution), based on current (or better) economic performance of the Project and market conditions, we believe such Bonds could be reasonably remarketed in other modes under the Resolution (with or without credit enhancement).

We understand that the representations contained herein may be relied upon by the Corporation in making certain of the representations contained in the Supplemental Tax Regulatory Certificate executed by the Corporation in connection with the amendment of the Bonds, and we further understand that Bond Counsel to the Corporation may rely upon this certificate, among other things, in providing an opinion that such amendment does not adversely affect the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended.

We understand that the representations contained herein may be relied upon by the Corporation in making certain of the representations contained in the Supplemental Tax Regulatory Certificate executed by the Corporation in connection with the Second Amendment, and we further understand that Bond Counsel to the Corporation may rely upon this certificate, among other things, in providing an opinion that the Second Amenmdnet does not adversely affect the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended.
